**Water Filter System Proposal – Rubric**

	<b>NY</b>	<b>MS</b>	<b>ES</b>
<b>Communicate</b> – I am able to communicate ideas and information while being mindful of audience and purpose.	I am unable to explain the reasons for my chosen materials for my water filtration system.	I am able to explain the materials I chose to make my water filter and my reasoning for choosing these materials.	I am able to justify the materials I chose to make my water filter by providing quotes and other information from the article, <i>How to Make a Survival Water Filter</i> .
